Inmarsat Mobile Networks, Inc.
FCC Form 312
Exhibit G

Response to Question E15: Section 25.209 Compliance

Inmarsat Mobile Networks, Inc. has indicated that question E15, regarding compliance of antennas operating in the FSS with geostationary satellites with the antenna gain patterns specified in Section 25.209, is not applicable. As discussed in Exhibit A, the relevant standard for antenna performance for Ka-band terminals at issue is Section 25.138.
